

REMITTANCE MPK

PROCESSING INSTRUCTIONS

1 Collection storage dates

Sunday Tuesday Wednesday

Important to submit the remittance within the specified time, which is indicated on the delivery note
Remitendu vrátit do

2 Remittance processing

In the **Delivery note - Remitendar** column, clearly write the number of pieces of each listed issue number that you are returning. **Create a package** or more packages. Each package must be marked with the **MPK Delivery Note** (or a copy). **Tie the package properly** to prevent possible loss of the title from the package.
